

COVID-19 VACCINE REQUIREMENTS FOR INDIVIDUAL VOLUNTEERS

The health and safety of our clients, employees, volunteers and community agency partners is extremely important, as is providing peace of mind to those individuals who are coming to our sites.

Please read our current vaccine requirements

- **All volunteers** at the Greater Vancouver Food Bank (GVFB) are required to be fully vaccinated. The COVID-19 vaccination card should be sent to us at: volunteer@foodbank.bc.ca at least 24 hours prior to your volunteering shift
- If you are working or volunteering in healthcare or social services (to include hospitals, nursing homes, long term care facilities, medical clinics and similar work places) and are fully vaccinated you can volunteer with the GVFB.
- **If you are not fully vaccinated and we have not received your vaccine passport and government photo ID prior to your shift, you will be unable to volunteer with the Greater Vancouver Food Bank.**

The following vaccines are accepted:

Accepted COVID-19 vaccines in Canada

- ✓ Pfizer-BioNTech (Comirnaty, tozinameran, BNT162b2)
- ✓ Moderna (mRNA-1273)
- ✓ AstraZeneca/COVISHIELD (ChAdOx1-S, Vaxzevria, AZD1222)
